“ I will miss you my dear friend Rigo. I'm so glad Jesse and I got together before you left us. We were able to relive our memories together and listen to your favorite music and laugh at the good times we had. RIP my friend

“ Primo Rigo you will be missed. Your memories of your crazy personality, your love for family and life will sustain us during this time that we will be apart. It's not goodbye rather it's till we see each other again. Rest in the arms of our Savior Jesus Christ.
