“ *We love you mom you will forever be in our hearts. We thank you for everything you've done for us. I remember when we where younger whenever we watched barney we would always run up to you an give you a hung an kiss telling you we love you too! I remember when we use to order McDonald's cheeseburgers on the weekends and watch a Disney Channel movie altogether. To many good memories I will always treasure mom.*

“ *When I get where I'm going  
On the far side of the sky  
The first thing that I'm gonna do  
Is spread my wings and fly  
I'm gonna land beside a lion  
And run my fingers through his mane  
Or I might find out what it's like  
To ride a drop of rain  
Yeah, when I get where I'm going  
There'll be only happy tears...*

*See you When I Get To Where I'm Going...  
Happy Heavenly Birthday  
Johnnie*

“ *Its been years since I've seen Rita. I last saw her while we were still in high school. My best memory of her will always be when we used to go to her house after school and just talk about everything. She was a big fan of Prince just like I was and we even danced in her room and laughed. She was always cool with me and always meant well. I wish I would of had the chance to have seen her just one more time. May she rest in peace!*
