“ Uncle T, I miss you very much. I miss your smile. I miss your laugh. I miss the way you cared for your family and always told us you loved us while giving us hugs. I miss your obnoxious and outrageous singing. You were truly the kindest with biggest heart and I never got to tell you that and that saddens me so much. You always asked me about school and how it was going and told me that you were proud of me. You put everyone before yourself and just wanted us to be happy. You went through your trials and tribulations and overcame them all, you came out strong not only for us, but for yourself and I am a proud niece. Love you so much. I'm heartbroken to see you go this way. Please watch over us and sing your heart out up there in heaven. We love you so much, Rest In Peace. ❤️

“ My boy T. What can I say about you. You have the kindest heart a person can have. You open the door to your house when you was in Santa Rosa for me when I had no where to go or places to sleep when I was down on my luck. I can't repay you back enough my brother. I know that you are gone but definitely will be missed by many. We will meet again one day until then god has gain another angel above. And to the Ouk family I am sorry for your loss. And I will keep you in my prayers. God bless
