“ *Uncle Bob was always so kind to me. I still have the fisher price doll he gave me as a little girl. I named him Bob and I had a red head doll I named Doris .. I never went anywhere without Bob & Doris. My Mom loved him very much. I always admired him for being a hard worker and never got to tell him that. For what it's worth now, I love you Uncle Bob. You were a good a man and the best example of what a gentle and kind man should be. Rest easy. Hug my Mom and Daddy and Grandma Gerty for me. I will see you all soon. Love, Nikki*
