“ *Susan--we are so sorry to hear of Bob's passing. He was such a vibrant force and had such a zest for sharing his passions with others. Thank you for sharing him with all of us. Love and prayers for you and your family at this sad time. Jim and Patti Sani*

“ Oh man, oh man, his passing is really too too bad. The industry lost one hell of an oenologist and the best organoleptic tester, I have ever known. I am not kidding, he really was. We shared too many experiences on the job that I can't imagine trying to relate. One in particular is our sharing of the grape and the brew and our consumption of oysters in Luis Obispo after work of course. We actually had an audience watching us, shucking and sipping those critters by the pool at the Embassy Suites. Bob was a joyous experience, and not to mention, a very good friend.

Angie and I will miss you.

Sincerely, Randy Bauer
