“ *We just heard of Bob's passing. What a kind and gentle soul this man has. We were lucky enough to be neighbors with this lovely couple. Every day I came home from work Bob would be out in the yard working in his garden. (Amazing gardener) A long period would pass before I got him to waive at me. Then longer when I decided to pull into the driveway and talk with him. We couldn't stop, talked about everything. So much respect for this beautiful couple. It was a very sad day when they left town for California. RIP my dear friend. You will be missed by many.*
