“ *I'm a LHS classmate from the class of 1961. Bob was one of the nicest ever. Always kind and so much fun. Great dancer too. Bob was 2 years older. We were in band and both played trumpet.... And he was so much better than I was. So sorry to learn of his passing. My sympathy to the family.*

I just now heard of Bobby's passing. I am so sad to hear this just now today when I have wondered why I have not been receiving email for the last few months. Bobby, he was always Bobby to me, was a wonderful friend and will be remembered with fondness. Gracie, I am so sorry. My love to you and would love to see you sometime. Prayers!!
