“ *I will never forget Robin's smiling face. I met her through doing events. She always had a good attitude, many stories to share, and she loved the people coming through her booth looking at the hot wheels. I'm positive I ran into her previously with my family and she was really nice to Alina.
I still cant believe I wont see her anymore.
She will truly be missed.*

“ I remember meeting her for the very first time. she was so openly kind and welcoming. She shared the same passion as me with her crafts, and sewing. She was a very hard working woman, strong willed and just a very nice person I remember my father and her bought my son a wagon for Christmas I believe and she just got down on the carpet and started putting it together. :) I will miss her.
RIP Robin
