Rodney George Bell

Rodney George Bell passed away on July 11, 2017 in his home in Kerman, Ca. He is survived by his loving wife, Debby Myers-Bell, daughter, Sasha Bell-Shepherd, and two sisters, Carol Herring and Suzanne Crunk. Rodney was born in Oakland, Ca on January 29, 1950 to George and Sue Bell.

He was a dedicated husband, father, and brother. In his early years, he lived in Montclair, CA as well as traveled the world with his family due to his father's profession as a Civil Engineer for U.S.A.I.D. Rodney graduated from American Community School in Ankara, Turkey in 1968. He returned back to the United States to continue his education in Agriculture. He graduated from Coalinga Community College, then transferred to Cal Poly Pomona. Ultimately finishing his collegiate studies, he graduated from California State University, Fresno and began his career in the ag industry. He was a hardworking man and loved teaching farmers on plant nutrition and increased crop production. After some health problems where he could no longer be employed, he still consulted several close farmer friends on plant nutrition.

Rodney enjoyed his daughter's horse, Babe, reading, eating delicious food, spending time with his family, and gardening. He was beloved by all who knew him because he had such a sweet, caring soul. Rodney was extremely smart

and would often share random facts in conversations he kept filed away.

A Celebration of Life will be held on Saturday, September 23, 2017 at 11 a.m. at the Kerman Covenant Church. His family members invite anyone who knew Rodney to attend and share their stories of him. Lunch will be provided after the service. In lieu of flowers, Rodney wished donations be made to the Central California SPCA.
