“Badges we don't need no stinking badgeshigh school police science class I met Rudy there . That short time together alot of us had a strong bond all being from different schools there wasn't any of that fresno social circle crap... We all just had fun and genuinely loved eachother . I was forced to move and a few friends would write to me and keep in touch, Rudy was one of them . Later in life I ran into him here and there and we would laugh about old times.He always made me laugh and he had a beautiful smile . Code 4 to you my friend may you rest in paradise.
