“ *Rest in piece to the second most amazing man I have had the honors of having in my life. When dad passed I didn't want to get married since I didn't have dad to walk me down the aisle but that's when uncle reached out to me and said he would love to step in for my pops I was shocked but so happy all at once. Thank you uncle dale I love you so much and will forever tell everyone about how amazing you truly are. Tell we see each other again.*
