“ *For the short time that I knew him, Roman was a funny guy. Roman mentioned after his open heart surgery, he was taking care of himself because he loved life. It was sad to know that we lost him. But Roman fought the good fight. Roman, Rest in Peace.*

“ I am a co-worker and friend of Roman, I met Roman over 16 years ago at the old building on G Street, one day I was taking my last break and he was sitting by himself, looking at his phone, he called me over and I sat down, we just started talking about work, from that moment on we became also friends, It's funny but more time than not we were polar opposite, but we respected each other. I know Roman is with his Parents now ,I will always consider him my friend, Rest In Peace my friend.
