Ron Olson was born August 29, 1948 in Carmel, CA. He moved with his family to Fresno, CA where he became a high school football star at Hoover & Bullard. He took after his father as a custom home builder and general contractor. Ron, his brother, and his father built more than 100 homes in the Fresno area. He was an artist with a great eye. He built his family a beautiful eclectic home that was and is constantly filled with love and happiness. He was a family man, who adored his wife and three boys. They were his true treasures in life.

Ron noticed the little things and appreciated detail, he was a real perfectionist in everything he did. He taught his boys to always do things the right way and to never cut corners. Ron was truly one of the most amazing and creative spirits that will be greatly missed but celebrated and honored through his family and friends.

He will always be remembered as the Big Star and Warrior that he was.

He is survived by his wife Patricia, his sons Taylor, Lucas, and Dylan, his daughter in law Alexandra, his brother David and his sister Carol.

“ *Ron and Patty were fantastic hosts as well. Last February they hosted the family Pulpette party. Ron was at his best that day. Everyone had a remarkable time enjoying the beauty and comfort of their home and their incredible hospitality. We were four generations strong that day, celebrating life and family traditions. God bless you sweet Ron and thank you for always opening your home to us. There is no doubt your are an angel watching over your incredible family. Your boys will continue to make you proud as they carry on the family traditions. We love you. The Mahoney Family. ❤️❤️❤️❤️*
