In Loving Memory of Ronald W. Burgess

Ron Burgess, age 61, passed away peacefully at his home in Fresno, CA on April 21, 2020. He was born April 18, 1959 in Fresno, to parents Kenneth and the late Carol Burgess. He was a member of Central High School's 1978 graduating class. After graduating, Ron enlisted in the United States Airforce, where he traveled to many countries and experienced the world. Upon exiting the Airforce, Ron attended Fresno City College and graduated with an Associates of Science degree in Electronics. He went on to work as a Facility Operator for Foster Farms, Zacky Farms, and Integrated Grain and Milling.

Ron was an avid motorcyclist, often taking his Harley on long distance rides along with his brothers and their father. Also, a huge fan of film and television, Ron could often be found at a movie theater, or at home enjoying his favorite Sci-Fi shows such as Stargate: SG-1 and Star Trek: Enterprise. Ron enjoyed travelling to peaceful Morro Bay, CA to relax and visit family whenever he could. He had a very strong work ethic and provided very well for his family. He was a religious man, who kept his faith, despite trials, and believed in the afterlife.

Ron is survived by his wife, Brenda; son, William; father, Kenneth; stepmother, Patricia; brothers, Randy and Jeff; stepdaughter, Jeanette; and grandchildren,

Austin, Cameron, Brittney, and Danielle. He will be deeply missed by all of his friends and family. A service will be held at East Princeton Baptist Church in Fresno, at a later date.

“Wish we could have spent more time together Uncle Ron. You always had me cracking up, i think we shared the same sense of humor no doubt. I'll see you again on the other side. I have a few friends there now that I know are showing you the ropes.
Love, Jonathan.

*I don't know if you realized how it blessed me to see you at the VA over the last few years. I felt privileged to be a small part of your care there. You faced your challenges with dignity and kept your sense of humor. No one can say you didn't fight the good fight. For one last time I say, "Thank you for your service."
