Ronald "Action" Jackson went home to be with his Lord and Savior Jesus Christ on November 18, 2017. He was born and raised in Fresno, California, graduating from Roosevelt High School and Fresno State where he completed his Master's Degree in Criminology. He started his 30-year career with the Fresno County Sheriff's Department as a "108" Reserve and later got hired as a Deputy Sheriff. During his time with the department, he made life-long friends with his cheerful and generous spirit, gentle strength, unique sense of humor, and one-of-a-kind baked desserts. He took his duty to serve seriously, going above and beyond what was expected of him and being an inspiration to the fellow brothers and sisters with whom he worked.

His caring personality was far-reaching; he was always ready to help a friend in need. Ron truly understood what it means to lay down one's life for another. In the home, he was a trustworthy and dependable husband to wife Lie Sioe and a loving father to daughters Victoria and Sarah. Always boasting about the achievements of his two children, Ron knew they inherited his wit and determination to succeed. He enjoyed spending time with his cherished family, traveling across California during his vacations from work, going to the movies, and eating out at his favorite restaurants.

A few of the "mysterious" skills "The Legend" possessed were baking (and eating) cakes, practicing and teaching martial arts, learning multiple languages and cultural customs, shooting at The Range, and cuddling cats. Martial Arts was one of his passions, and he was a Certified Associate Instructor in the Estalilla Kabaroan System of Eskrima. He also enjoyed scuba diving, reading, watching crime shows, collecting stuffed animals, and somehow acquiring random facts such that he knew every answer on the trivia game shows. His knowledge and wisdom was beyond anything anyone could imagine from a man who claimed he could speak to cats.

By the grace of God, Ron has been welcomed into his eternal home in Heaven and joins those who went before him, including his parents and several friends. He leaves behind his wife, daughters, brother, sister, and many more family and friends who have been blessed by his presence.

Visitation will be held at the G.L. Johnson Chapel of Peoples Church on Thursday, November 30, 2017 from 10:00 a.m. To 11:00 a.m.

A funeral service will follow at 11:00 a.m. At Peoples Church, interment will follow at Clovis District Cemetery.

“ *It is 7-7-2018 and I just received word of Ron's passing. As a fellow 108'er during Ron's era, I remember him with great fondness and professional admiration. He was a tireless and reliable co-worker, hysterically humorous when he chose to be, a martial artist of consequence and facilitated informal social events with a style all his own. Ron's presence in the unit was always positive and contributed significantly to our unit's cohesiveness. Above all, Ron was a very, very good man. I wish peace upon his family and loved ones. He left us far sooner than he should.*

*Until we meet again.*

“ *I had the great pleasure of working with Ron many years ago. He truly was a kind and funny person. Reading the obituary really wrapped up nicely who Ron was. He was amazing. Years later, I would see him at worship service and knew he loved our Lord. Ron leaves behind quite a legacy. To his family, I offer you my deepest and sincere condolences. I'm so sorry Ron's life here was cut short. We need people like Ron around. But now he's with our Savior. He will never be forgotten.*
