

Ronald R. Zamora

May 4, 1957 - August 31, 2024

Ron was born May 4, 1957, to Jesus M. And Rosario Zamora. He passed away at his home on August 31, 2024.

Ron graduated from McLane High School, Fresno, in 1975. He worked one season fighting forest fires before going into the grocery business. After many years in grocery, he made the move to a career in Real Estate Sales.

He grew up in Fresno, where he was the youngest of eight children. He enjoyed water skiing, snow skiing, and playing golf. He loved working on cars and spent many hours under the hood of his Chevy Impala SS. He loved spending time with his family. When his children attended Sacred Heart Catholic School, he always found time to be a room parent. He would load up the Suburban and chaperone field trips and sports events. He loved photography and could usually be found with at least one camera hanging from his neck.

Ron was preceded in death by his parents, Jesus and Rosario Zamora, his brothers Fernando, Jess Jr., and his sister Josephine Ruiz.

He is survived by his wife, Grace, his children Aaron and Adina, his brother Rudy, sisters Olivia (Peter) Santellano, Margaret (Lupe) Santellano, and Irene Torres, many nieces, nephews, and extended family and friends.

Ron was diagnosed with dementia in 2016. He spent his remaining years with his family until his passing. He will be loved and missed always.

The family would like to thank Hinds Hospice for their care and compassion during Ron's final days.

“ *I knew Ron in high school and we also played on an adult soccer team in our early 20s. He was always fun-loving person with a smile. We reconnected when our kids were young and Grace and Ron sent their kids to Sacred Heart School. Ron and I volunteered to be the Room Parents for 4th (possibly 5th?) grade. I took the lead on organizing fundraisers and Ron took the lead on organizing the kids most memorable field trip. He lined up a charter bus as well as the tickets to the Monterey Bay Aquarium and we took the entire class there. It was a great trip and I was amazed at how well Ron organized it. The kids and parents still remember it. We will miss Ron and his fun-loving approach to life.*
