“ *Like clock work she would call me every Friday.. Would sing to me
"it's finally Friday" one Friday i got in my car after work and no mix
call from her and no song.. I called her, she answered I said Rosie
I'm off work and you did not sing to me.. She stated with an
attitude.. Friday is not over.. So I said ok then sing to me .. She said
no because now she wasn't feeling it..
So we hung up and seconds later she called on her own and sang
to me.. I Love it & love you forever ... Forever..
RIP big sister*
