“ *Grandma I still can't believe you're gone. I miss you so much. Your face is etched in my brain like a photograph. When I close my eyes I can see you as if you were standing in front of me. I miss that I can't just go to your house anymore. To see you, to smell you, to hug you. It's not the same here without you. I know you're watching over us. I'm just selfish. Thank you for all the beautiful memories. I love you with all my heart grandma. ❤️*
