“ I had the privilege of being Ruckers roommate while serving in Youngson South Korea. Though out the years we stayed in touch and continued our friendship. My wife and I made the trip from Nebraska to Fresno to see him last month. We had a great visit! I imagine he's got his starched wranglers on and his favorite cowboy hat on boot scooting across heaven's golden streets! Well served soldier! Till we meet again my friend! Steve F

“ I remember growing up with Lyn when we were children my mom, his aunt Joyce would make him to cherry cheesecake with graham cracker crust just for him. He always thought that made him feel so special at every holiday. My mother also loved talking to Lynn over the phone in her later years of her life going down memory lane RIP We will all miss you cousin 🙏💙🙏💙
