

Ruth "Cuca" Cazares

May 5, 1947 - October 1, 2014

Ruth "Cuca" Cazares 67 of Fresno, California, formerly of Tranquility, California went to be with the Lord on October 1, 2014. She was a farm labor contractor for many years. Soon after her father became ill she focused on how to take care of him which led her in the occupation of caring for others in the Health Care industry.

Cuca took classes and gained the knowledge and experience to assist her dad. After graduating from that program as a Certified Nursing Assistant, she was offered employment at Golden Living Center where she worked for 27 years. She loved working and caring for others just as much as she did taking care of her parents and kids.

Ruth lived for her grandchildren. She loved them dearly and enjoyed spending time with them and making memories, especially spoiling them just to watch their face light up, whether it was something to wear, a game or down to their favorite cereal. Cuca was known as Ruthie to her co-workers. She had always shown love and compassion for her patients and their families whom had their loved ones at her facility. She was a strong willed person and kind to her co-workers and treated them like family. Ruthie was always lending a hand when needed, and giving advice and a shoulder to lean on. She always enjoyed making routine phone calls to her family and co-workers to just say HI and making sure all was well.

Cuca is preceded in death by her parents Felix and Doniciana Amesquita, sister Josie Tolentino and nephew Pete "Sunny" Amesquita.

Our Mother Ruth leaves behind three sons, Felix, Lemo and Polo; one daughter Lori; six grandchildren Andrew, Audrey, Ysess, Dominic, Mateo and Jade; one daughter-in-law Claudine; five brothers Pete, Felix, Tofelio, Fred and Frank Amesquita; as well as many loving nephews, nieces and God children.

The family would like to express their gratitude for the tremendous support we have received. We are truly touched and encouraged by the out-pouring love and kind words from family and friends about our mom. Thank you and may God bless you.

“ Missing our late night talks. You introduced me to fun time night life, boys and limits, Mary Kay, lol, and told me never to leave my home without color on my lips, eyelids and cheeks. You gave me my first driving lesson, showed me how to put on wigs and gave me my first Godchild. Missing you everyday. I know whomever guardian angel you are , is Blessed. I'm glad your resting.

“ I'll always remember how you could light up a room with just your essence and those long phone call conversations that always ended up with laughter. Thank you for keeping the family connection alive & showing us how strong family should be as one. We will miss you dearly but you'll always be in our hearts. Please tell grandma I said hi. I love you aunty!
