“ *Oh Heaven is having a party and they are all going Fishing! The way my Aunt Perlie greeted me, I believe is how we will be greeted by everyone when we join them in Heaven. She would throw open her arms and call out my name....Shirlie! In that moment I knew I was LOVED So Much! She was a very sweet but tough lady! We were blessed to have her stay with my family for a month and we really got to know each other so much more than before. She will always have a special spot in my Heart, until we meet again in Heaven! God Blessed me with YOU! XOXO

“ *We will always remember our sweet and loving Perlie. I have lost my sister in law who has been a part of my family for over 70 years. She loved all of her family with all her heart. Her children were her most important treasure. She will be missed by all who knew her.*
