“ *My dear sister in law Ruthie, I know we haven't kept in touch after my hubby Steve passed but I always thought of all of you it's just hard for me to get around these days. Luckily I found Bobby on Facebook. He will really miss you, you were a good mom to him .*

*I remember the great times we had all the BBQs at you and Debras place. You always made me feel welcome and part of the family. Thank you for that.*

*I know you are going to be going to a better place and reunite with your family that's there. Please yell at Steve for leaving me all alone. And give your mom a big hug and kiss for me.*

*Love you Patty*

“ *Ruthie, you are an amazing woman & cousin. God has been good to you and your son Bobby. I will cherish the visits and you always being there for us. We have endured difficult times, but God has been there with us. I was blessed to see you on April 3rd at your home. We prayed that you be in God's hands. And you were, that God took you home. We are sad that you left us, but we will see you soon again. God promised that He would never leave you or forsake you. You have done your part, now it's up to us to do our part to see you again. Love and miss you. Your cousin, Alex Reyes*

“ *Best memory I have from you Tia Ruthie was when I took you and my mom to go see Roman Ayala! After his concert was over and you got to meet him and took a picture with him as well. You were nothing but smiles! ❤️ I can still see you smile and the look on your face when you were talking to Roman Ayala. Priceless... I love you Tia Ruthie and you'll never be forgotten!!
