“ So many memories with chava that ill forever cherish 🙏 he may have tried to play the role of being hard sometimes but i knew the real chava the one who would always joke around with you , who would always love to be all in the mix , who would protect the ones he loved no matter what, who had a huge heart . who loved watching movies. So much about him im going to miss! He loved kids and wished he one of his own so bad . i wish he wouldve had a kid so he could have left apart of him behind. He will always have a place in my heart ❤️ i love you forever & ever till we meet again !
