“ My Sam Sam!!!! I can't believe you are home with the ángels and God. I'm going to miss you and your unique personality!!! You're a gift from God since you were in your mommies Tummy!!! I'll never forget when you came home with your mommy and Dad in a shoe box because you were too tiny to fit in a car seat. I was so excited to hold you but again you were so little that you fit in the palm of my hands. So I held your beautiful little body like a small toy. You just curled up like a small puppy. I will always carry all I mean all the Joy and memories you brought to me and Chloe and thank you for being Chloes #1 fan and Cousin and especially her favorite Cousin and babysitter!!! Me and your baby Chlo Chlo will always remember what you brought to our lives and hearts!! So go to heaven and chill with all our fallen loved ones!!! Until we meet again and I was fortunate to have you drive me to the homeless shelter and especially stopping and dollar tree with your mommy to get some chocolate 🍫 Milk for your #1 Tia Pat lol 🥰!!! So rest now and watch over us who are here on earth finding peace and serenity and God!!!. So bueno for now but not forgotten!! One Love Your Tía Pat and Cousin Chloe.

“ SamADooDot ☐ I love you so much. Many memories come to mind when I think of you. Especially your star wars room when you were younger. You would play those movies over and over. We were so close when we were little. I really going to miss you! Give my Valerie a bug hug for me cousin. I know one day I will see you again. But until then, please watch over your mom and family 😊 I love you forever.
