“ Dear Jackie and Family.. Vern and I are so sorry that you have to go through this loss. As we get older we come to understand that this is a part of our lives we have to accept it. You guys were strong as a team. Enduring what life threw at you and coming out stronger then before. Take time now to reflect on all your years together. Let your family and friends share your thoughts and keep the hope and dreams going for the future generations.. Give each other a extra hug and kiss and tell each other thank you . Love you my long, long time friend. Betty & Vern xoxoxoxoxoxoxo
