“ Sandy, I'm going to miss you so much. I could always count on you to cheer me up when I was having a rough day missing my hubby, Ruben (Wesal). He said his best birthday was the one that I had the little surprise party when you all came for him. Now you're in heaven with him. The both of you can celebrate every day together. I now have 2 angels to watch over me. Love you my Sis Sandy.

My deepest condolences to all of you, JR, Jas, Momma Ana and the rest of the family. Sandy was one of a kind. She had the biggest kindest heart. She loved, cared and was always there for whoever needed her. ❤️
