“ *Shawn was a little rough around the edges but he rarely turned someone away when they needed help. He always made me laugh and feel welcome at his home. Ill miss you sean . we will meet again my friend.*

“ No matter what kind of day he had,no matter what season it was,no matter what kind of weather it was,no matter who was at the house or who was coming over you could count on Sean to have a beer in one hand and a bong in the other I will never forget him i don't have much of value anymore but would give up what little i have left to spend one hour with him not to say what a good guy he was or anything profound just talk to him one more time
