

Sergio Cisneros

August 2, 1992 - July 29, 2019

Sergio Cisneros was the only child to Debra Cisneros. Born August 2, 1992 as the first grandchild to Yolanda and Genaro Hernandez, he instantly became the pride and joy of the family.

Sergio spent the majority of his beginnings being spoiled by his aunts, uncles and grandparents. Growing up Sergio played soccer, flag football and baseball. He enjoyed spending time with his younger cousins and teaching them new things. He'd help them with their homework, participate in family activities and when he became licensed, he'd often drive them around. Sergio's shy and quiet nature made it difficult for him to make friends in elementary school but by the time he reached the end of middle school his confidence increased and he would form long lasting friendships. While with his friends he enjoyed playing video games, going to the beach and to the movies. As the only child of a single mother Sergio maintained a close relationship with his mom throughout his life. Their shared interests would include movies, music and the outdoors. Sergio had a passion for life and learning. He enjoyed science, gaming, nature, reading, swimming, and exploring new ideas. Sergio loved his family and friends. He was a great listener and you knew the advice he gave came from a caring place. His ability to empathize with others yet knock you off your feet with his sarcastic humor made him the kind of person you couldn't get enough of. A fan of practical jokes, superhero's and anime, Sergio made it a point to enjoy life

with the ones he loved. His infectious smile coupled with his long gorgeous eyelashes, made him irresistible to both men and women alike.

Sergio left this life way too soon. His gentle spirit, loving heart and vibrant personality will be truly missed by all that knew him.
