

Sergio "Fabi" Naveda

August 3, 2000 - May 10, 2025

It is with deep sorrow and endless love that we announce the passing of our beloved brother and son, Sergio Fabian "Fabi" Naveda, who left us on May 10, 2025 at the age of 24.

Fabi was born on August 3, 2000. He was a pleasant surprise to Karina and Federico. A blended family began as he was long awaited for by his sisters Andrea and Brenda. Fabi was many things—gentle, strong, stubborn, hilarious, and full of love. A bouncing and silly baby boy grew up into a nonverbal child. As he grew, developmental delays occurred and with his family, his doctors diagnosed him as Autistic.

Fabi was a sweet boy who saw the world in his own patterns. His mother and sisters worked as hard as they could, with only what they had to give him the happiest life they could. Eventually, he learned how to speak and communicate. From then on he would almost never stop talking.

His spirit spoke volumes. He couldn't read or write, didn't keep track of time or dates, but he knew what mattered: joy, family, and connection.

Fabi loved video games and he loved to share that joy with his sisters and mom. He reminded our mom often how much she liked Leon from Resident Evil, and we laughed every time. He didn't care about the "best" games—he played them all with wonder.

Fabi had his own ways of loving, showing affection with his quiet presence, shy smiles, and the way he said our names—"Andwea, Bwenda" full of life and teasing.

Though the world didn't always make space for Fabi, he made space in it—with his laughter, his curiosity, and his deep desire to be home. We worked so hard to give him that, and while we ran out of time, we know he's finally there now—safe, surrounded by love.

Fabi is survived by his mother Karina, sisters Andrea & Brenda, niece and nephews, and every caretaker that cared for him.

A funeral service will be held on June 6, 2025 at Chapel of the Light, 1620 E Belmont, where we will honor and celebrate the beautiful soul Fabi was and always will be.

Fabi loved being celebrated. And we will continue to celebrate him, always.
