“ *Our thoughts and prayers are with you and your family. Maui, thank you for allowing me to assist you in celebrating your father's life. Life is full circle - from high school friends to helping you as a friend coordinate dad's services. If there is anything you need, I'm here for you.*

“ *My grandfather was one of the father figures in my life. The man I remember was kind and never complained about doing what he had to do for his children or grandchildren. He tried his best coming from a war-torn country with his sisters and wife, and their children. I don't remember any stories he told me but I do remember him never saying no when I asked him for a dollar. He took care of me at a time when neither of my parents did. I knew he loved me and I wish he was proud of the man I became. R.I.P. Grandpa you will forever be in heart. I love you.*

“ *You were the best Daddy... Always made sure we get to school and picking us up. Anything we needed, you provided. I remember always helping you filling out money orders to pay the credit cards, our family trips to San Jose, and the grocery shopping we did. I love you so much and I'm missing you so much!!! Your in a better place now, no more suffering. I Love You Daddy :) RIP*
