“ *I could never forget about you, Dad. I have so many memories of how you're such a great father. You stayed strong and always gave me a helping hand in anything. All that I possess from past, present and future, came from you. Just because you had to leave first to where we all shall meet. I will have faith in seeing you and everyone else I love because I will not forget what a great man who stayed strong enough to support his family's need. The man I look up too, my Dad, Somnuk Phuangkaeo.
I love you, Dad!
