“ *I am sitting , in the dark talking to Jesus Christ  
and two very special people came to my mind  
, one of the two special people is this very  
man right here..*

*He was a second dad to me, one of the  
kindest men I ever knew...*

*you will always be apart of me and I am thankful for that gift you  
have given me*

*Love you dad*
