“ *I just found out about Stephanie. I would like to send my condolences to the Murrietta family at this time as well as the Meraz family. I lost contact with Stephanie, and when I found a few years back we were suppose to get together and I never heard from her again.*

We went to school together, as a matter of fact she babysat my boys and she called me french fry which I have never forgotten. She was my best friend in high school and I believe the last time I saw Vicky and Vincent was at their mothers funeral.

I have always thought about her and I will never forget the crazy times we had when we went to high school.

Again, I'm really sorry for your loss.
