

Stephen Mark Bezzerides

January 24, 1942 - August 5, 2023

Stephen Mark Bezzerides was born to Paul and Marana Bezzarides on January 24, 1942. He was number five of six children Jim, Odyne, Bob, Ben, himself and his sister Pauline.

Steve served in the US Army and was honorably discharged. He attended Fresno city College, where he became a journeyman body and Fender repair man. He worked at that for three years. In 1967, Steve was offered an opportunity to become a State Farm Insurance Agent. Steve was still faithfully serving his clients in his 56th year of service. He wanted to make mention to thank all his clients who entrusted him with their insurance needs. He wanted to ensure you that he always did his best for all of you. Steve gave selflessly as a Rotarian of the Rotary Club of North Fresno. He enjoyed being active within his community and giving back.

Steve is survived by his daughter, Kris and her partner, Sarah and grandchildren, Hugh and Faye; also by his stepchildren Lisa, Philip and Marie.

Steve will be laid to rest in a private committal service at Belmont Memorial Park.

A celebration of life will take place in December for family and friends.

“ *My condolences to Steve's family. Steve became my insurance agent when I turned 18. Actually Steve was my whole family agent. Grandparents, Parents, Aunt's , Uncle's and even cousins. That was just how great Steve was at his job. Steve was just the nicest guy ever.*

“ *Bezze was a great friend and wonderful part of North Fresno Rotary. I always knew I could count on a warm smile and friendly conversation when I sat with him at lunch. He enjoyed having fun, but also shared openly about his struggles. He is an example to me of how to be a positive force while also being an authentic and imperfect human. He will be greatly missed.*

“ We saw Steve on a regular basis at work. He was so fun, always bringing in cartoons to give us a laugh. He also supplied us with pocket calendars for the New Year! He will very much be missed. He was a such a light to our office!

“ There are certain people in our lives, that when you hear of their passing, you say "Oh no". Steve is one of those people. I remember my father talking about a Steve Bezzerides when I was a teenager & learned he insured our home. He insured my 1st car in 1970 &, when my husband & I bought our homes over the years, we called Steve. He took care of us when my husband was in a car accident in 1990 & called us 1st when our mountain home burned in the Creek Fire. Recently, he called us on our birthdays & he called in June to wish my husband a happy birthday. When you spoke to Steve, you knew he wanted to take care of "you" & you trusted him to do so. He always had a smile. He was geniune. Steve has been a part of our family for over 50 years & we will miss him. Our condolences to his family.

“ *My Uncle Steve was a great Uncle and friend and always had a smile. My junior year of high school I needed a car to take my date to the prom and my uncle Steve let me borrow his less than a week old Chevy Malibu. It was a beautiful car and he let me his 18 yr old nephew take it to the prom. If he could help he did. I will miss you always Uncle Steve.*

“ *Stephen (Steve) has been my families insurance agent for all my life and my son also has his insurance with Steve. Steve was more than a insurance agent I felt like he was a friend, father figure, someone you could trust and go to with a problem and he would help you. He will be greatly missed !!*

Steve will be sorely missed for always be there in a moment of need weather it coverage for house or car . Steve always had candor in terms of the conversations we spoke to him as finding a means to problem solve what ever situation we were facing at that point in time. Every time I would go to Steve's office we would share with each other as to family matters and life stories with advice coming from Steve . Steve was very easy going when came to taking care of all our insurance needs and a friend indeed . Steve thank you for you many years of service as our State Farm Insurance agent .
