“ *Not only were we related, but I was lucky enough to work at the mall with Steven for years. My best memory of him is looking so handsome dressed in his suit and tie and standing tall. And the little things, like him waving and smiling, or us taking quick breaks together are something that I will truly miss and always remember. Much love always, your cousin, Bianca.*

“ I will never forget you my friend so many memories we shared, fun times, up to 5 am in the morning on MySpace I remember one guy trying to send me messages and you said hold on tiffy watch what I make him do lol he pretended to be me and told the guy if you want to see me with my clothes off you have to take yours off first 😂😂😂 he had this man get all the way down to his boxers then deleted him we laughed so hard that night and feel asleep on my cousins couch. We had so many fun nights and vacations with friends and my cousins you were like our traveling hair stylist and make up artist and friend. Now who's gonna dance with me? You were the only man that could keep up with me on the dance floor and dance to every song. 😭 I love Steven I will never forget you. You are forever in my heart. ❤️
