NF

“ So many good memories of your mom. Her beautiful hair, sometimes a new color. lol Every time she came to Madera, she stopped at the day old bread store and brought all these goodies, to have with coffee. And when we went to visit, she always made us feel so welcome and always managed to find something to feed us. Maybe beans and eggs or one time, we had Ramen noodles and she cut up hot dogs and put them in it. It was delicious!
Such a loving, generous person. She was loved.
Now, Resting in Peace.
