“ *I just found out of the loss of your Teri. She was a sweet and kind person. I was happy to have met and known her. We were coworkers at the Health Dept. We all enjoyed her humor and her baking. She had a talented gift. I know she will be dearly missed. I'm so sorry for your loss. Tammy Starr Brown*

“ Condolences to the family, relatives and friends of Terri. I pray for peace and comfort during this difficult time.

I've known Terri since 2006 when I started with the County of Fresno with Jail Medical Services. From that day, it was known she is not one to mess with, lol. If you did cross that line, she can hold a grudge for days, weeks, months, etc. There was a moment in time where that line was crossed but it was short lived. From that, I feel our friendship grew stronger. We had many days of laughter and joy both at work and outside of work. I always looked forward to gatherings that involved the JMS crew and if Terri wasn't there, I would always ask for her.

Terri you will be missed. You may be gone in body but in spirit you are always with us. Fly high with the angels. Rest in peace my friend.

Until we meet again - Kevin Kitaoka
