“ *Grandma Teresa, we will miss you always! The kids absolutely loved when it was time to visit Great Grandma. They were always excited to see you and tell you all about what they have been up to. For me, you have always been a beautiful soul and easy to talk to. We will always keep your memory alive by continuing to reminisce all the wonderful times we had together. Seeing you get so excited when we would bring the kids to see you. We love you dearly Grandma Teresa!*
