“ *Hi Tess... if you're reading this... Tom was my agent, and both of us were new to our roles, and we learned together. My last correspondences with him before he moved on from Church and Casualty, were his congratulations on my pregnancy (he was so happy for me), and prior to that, his appreciation of my congratulations when he wed you (I sent him some great cliparts/cake toppers of a bride being weight lifted). I extend my sincere condolences to yourself and your families and all those who knew him. We were better people, to have known and admired, Tom. He will be missed.*
