“ I am soo sad to hear Tillie has passed. Tillie Marie Huerta was my childhood best friend. I spent a lot of time with her and her family growing up. We had the best times together and I will always remember her and our fun times together. My condolences to her family. Rose Cruz-Samudio.

When we were kids both Tillie Marie Diaz and Rose Cruz were my dearest friends at Millview Elementary School. I remember when we were in the fifth grade and Rose Cruz and I use to spend the night over Tillie Marie's house. I can't believe that a life time has pasted us by and now we are experiencing the loss of those we once shared our childhood with. This is a true testament that life is to short and I am truly sadden by my childhood amiga leaving us sooooo soon. I was blessed to have known her in my lifetime, she was a precious friend with a beautiful smile and an endearing heart. I have many cherished memories of the three of us growing up in Madera. I will forever hold you adoringly in my heart - my dearly departed Tillie Marie. Thank you for being my ever so treasured childhood friend.

Affectionately with all my love,
Jackie Hernandez
