“ One of my favorite memories of Tina was on Christmas day 2023 , watching her play with Grayson. You could see the love connection from her to Grayson. I have so many wonderful memories of Holidays spent at Tina's home, she was always so welcoming , no mater what was going on.

“ I've known Tina my entire postal career. She cared about people. She always looked out for me and supported me during hard times. Especially after my mother passed away. Such an amazing friend. We shared stories and joked often. It wont be the same without her and never will be. She has always been a solid point in my life as well as the building we both walked into everyday. I thank God for blessing me with her presence in my life. I miss you, my friend 💜
