

Tina Chiodo

February 8, 1974 - March 28, 2022

Tina Chiodo, 48, of Fresno, CA sadly passed away on March 28th, 2022, after being diagnosed with bladder cancer 24 days prior. Tina was born to Christine Rigoli and Charles Chiodo on February 8th, 1974, in Anaheim, CA.

She is survived by her two children Timothy Scruggs and Jayla Edwards, as well as her grandson Joshua.

She was a caring mother who showed us unconditional love, compassion, and respect. She always supported us through any circumstance, and she will be missed dearly. As an independent woman, she constantly revealed her resiliency, providing us with a shining example of a champion. She valued honesty and above all— time with family. Our mother enjoyed cooking and baking for herself and others. She also loved driving, listening to music, and tending to her plants. We will miss her presence but remember her spirit forever.

Our mother would appreciate the love and support at her service on Saturday, May 21st, 2022, beginning at 11:30 am located at Chapel of the Light— 1620 W. Belmont Ave. Fresno, CA 93728.

“ I was at a very difficult place in my life when I met Tina, not a lot of people knew of what I was struggling with and how my smiles and moments of joy were hard to come by. She would listen to me vent, give me her very wise words of advice and do everything she could to bring the moments of joy back into my life and I did the best I could to show her how much I loved her for it. I got her a blanket of pictures of her grand baby one year for Mother's Day and the love and appreciation she had for it made me teary, and one of the last days we spent together were spent with good conversation, good laughs, and yummy food and I think of it often. I'll miss you my friend, thank you for being a beautiful soul to so many. I'll never forget you ❤️

This really has been a difficult time for me. I have known Tina since grade school. We shared so much over the time in our lives, we never lost contact always talked any differences and remained good friends. When she was pregnant with Jayla we share those 9 months together and some time way after we delivered our girls. Tina you will definitely be missed you were an amazing woman one of a kind the realist of the real. I love girl all our memories will always be genuine. To Jayla & Tim I am always here for you. I love you children. ❤️❤️

“ So much to say probably not enough space . I am the mama to Tina's DOODOO... Who everyone knows is one of her pride and joys. Her one and only grandson :) We definitely miss her. She was unique . One of a kind The kind everyone knew not to step to . She was far from afraid to speak her mind. She was the THE BEST COOK hands down !! For my 27th bday she made me a cake and used m&ms to put the number 27!!! She made the best cakes !! & & can't forget the best chicken Alfredo !! Since she loves to cook so much but hardly ate We all got the pleasure of getting all the leftovers . For Christmas one year she made her grandkids (1 by blood 3 by love) a snowman ... the snowman was a 4 box tier from bottom to top and then she crafted a snow man ,,, each box was full of different kinds of gifts , socks , color books , jackets ... the kids LOVED IT them and was initially so wrapped up in the giant snowmen they didn't even realize there was presents in the boxes ... I remember as her and I sat and watched them all in love with these boxes she was like damn!! I coulda saved a lot of money !! 😂😂 she loved to make doodoos Halloween costumes.! She made him the best chucky !! And even a beach bum !!! she loved to pick him up for random trips to McDonalds for Happy meals or take him home and watch movies !! She would call me and say he has new fave I'd ask what ? She'd respond TAMMY!! We've watched it about 20 times this weekend!! 😂 another fave that he never lefts me forget is HOME ALONE!!! They're take away from that was KEEP THE CHANGE YA FILTHY ANIMAL!! Ahaha she even got him a shirt for Xmas that sahe that ! She was truly the BEST grandma that all 4 of my kids have ever had!! she was another mom to me !!!who I talked to more then my own mom!! She was our DANNY... Joshua couldn't say GRANNY he got danny out and she said we'll call me danny !! I was her BM , and Joshua ... well as much as I didn't care for the name initially he was and will FOREVER be her DOODOO. 🙄 we all miss her sooo much !! I know she's not in pain anymore !!& she's for sure watching all of us every moment , and I can only imagine what her no filter dgaf self is sayin!! We love you Danny !! UntiL we meet again !
