Tina Marie Tracy

August 13, 1970 – May 24, 2020

Tina Tracy grew her angel wings and left her presence among family and friends on the morning of Sunday May 24 th , 2020 at home in Clovis, CA. A loving Mother, Daughter, Sister, Aunt, and Grandmother, Tina was one in a million. Her kind and compassionate spirit touched many, and her laughter and smile lit up a room. Tina was born to Charles and Linda Gray in Kingsburg, CA on August 13, 1970. She was raised in Kingsburg and Selma. Tina graduated from Selma High School in 1988. While working for Raincreek Sinbad Sweets, Tina attended University of Phoenix and obtained her Associate of Science Degree. After years of gaining experience in her career, Tina advanced her profession to the Internal Revenue Service and remained there the last 14 years of her life. Tina loved her family and friends to the moon and had a caring heart for humanity. She never met a person she didn't like and always treated everyone with the utmost respect and love. With a heart as large as hers, she would never let you down as a friend and was always humble, thoughtful, generous, caring and vastly loving. Tina loved spending time with family and friends, karaoke, travel, shop, gamble, listen to loud music and comedy, and watch Sci-fi, horror, and B-rated films. Her favorite hobby was spending time in the backyard by the Koi pond with her Grandson Logan. Logan was the light of his "Bam-ma's" life. Tina was preceded in death by her father Charles Gray. “ Tina, I will always remember my 1st huddle meeting in my new job, sitting there was this vibrant beautiful woman providing her huddle numbers, I was new to the area and you welcomed me with open arms. We became good friends we helped each other in our work. You would come to my desk and say hey girl lets go have a cigarette, even though I didn't smoke, We would take our break go down stairs talk about our families, kids & grandkids and work of course. I am so sad that I will never see this little blonde sweet beautiful soul again. Tina I will miss dearly but will never forget you.

“ *Words cannot express the sadness left by the loss of Tina. She always spoke her mind, and made sure waiters always kept gluten out of my food! Love you Tina and will miss you forever. There will always be a place for you at the “game night” table. We love you Scott, Jared, Justin, Logan, and family.*
