

Velma L. Miller

February 8, 1926 - March 19, 2017

Velma Lee Miller (formerly Boone) left this earth to be with our Heavenly Father on March 19, 2017 at the age of 91. Affectionately known to most by “Mama Lee” and “Grandma Lee”, she will always be remembered as a loving, helpful and generous woman who spread her joy to all and loved her family and friends deeply and unconditionally. Velma Lee was born in Arkansas, and then moved to Oklahoma to live with an aunt, so that she could complete high school. She then married Ralph Roger Miller and the family moved from Oklahoma to California, where she served her family as a loyal homemaker. Velma Lee is survived by her brother: Clark Boone, her daughters: Cheryl White and Robin Dunnington, her grandchildren: Anissa Rozadilla, Dennis Rozadilla, Coby Dunnington, Dillon Dunnington, Jesse Dunnington, and her great-grandchildren: Zayn Guajardo, Gia Rozadilla, Jayna Dunnington, Amaya Morris, Gianna Guajardo and Aiyana Coronado, and her great-great grandchildren: Zayn Guajardo Jr. and Giulianna Guajardo. Velma Lee’s Celebration of Life will be held on Friday, March 31, 2017 at 11:30 a.m. at the Clovis District Cemetery (graveside service). In lieu of flowers, feel free to make a donation to your favorite charity!

“ *Today is the day we lay my Gramma Lee to rest. GOD has received a very special angel in heaven. My grandma was such an amazing person. She was so loving and caring and had a heart of gold. She was like a mother to me and practicality raised me. She also raised a lot of my friends as well. If you were ever in her presence then you know Gramma was "Everyone's Mom. She was such a smart, strong, funny, and loving person. She was the grandma with a huge extended family and a lot of nicknames.Gramma, Gramma Lee, Bumble Lee, Grammy, and Grams. She was such a generous person who was always willing to go out her way to help anyone. She loved to cook, bake, make jelly and she would make quilts, blankets and Christmas stocking for anyone who wanted one. She was very smart and loved to read and watch games shows. I used to joke with her about writing the shows to get her put on one, and now i kick myself for not getting her on one because I'm pretty sure she would have definitely won. I will always cherish the memories of my Grammy and I am truly blessed and grateful to have had such a wonderful person to care for me. I will always cherish the memories of my Gramma. I know you're in Heaven watching over me and all your loved ones. I love you Grammy "To Moon and Stars and Back" "A bushel and peck and hug around the neck" Rest in Peace. Love your grandson,

“ *What a life we have to celebrate in Velma Miller (our beloved Aunt Lee). A care taker to all, a blessing to everyone see came in contact with and an amazing servant delivering the Lord's love to all. My family including the 10 grandkids have Christmas stockings she made at the young age of 89...treasured items used annually now in loving memory of the loving hands that so meticulously handcrafted each one.*

I know there is a wonderful reunion taken place in Heaven where her rewards will surely be great.

Love you, Aunt Lee, you will be missed, but we are celebrating where you are and whom you are with. In Jesus' presence forever.

“ *Many many years ago Velma welcomed me into her heart and home as one of Cheryl Faye's crazy gypsi work friends. I always felt I had a home with them both when I was in Northern California on long assignments. I remember cooking together and just sharing warmth and love. You are missed! Love you and the whole family especially my girl Cheryl Faye. Always, Ruth Gilland-Winkler.*

“ Prayers and comfort to your family at this time. Mama Lee was One of the kindest and most loving women I have ever met in my life. She never met a stranger for very long because in no time at all she was feeding them or making a blanket for them or some other act of kindness Such a gentle and sweet spirit.

“ I love this wonderful, lovely lady. I've had the great honor to have been in her orbit for 42 years. I've had her as a friend, confidante, and a mom for longer than I could ever have asked for. The Lord saw that I needed a mom to love and he gave me her and a whole big wonderful family. She was the grandmother that my children needed and a loving grandmother to her children, grandchildren, aunt, and cousin. She loved deeply and will be so greatly missed. The Lord took her home.

“ Thank you grandma Lee for being so inviting from the first day we met. You always ensured that things were going well and would try to help fix when they were not with your encouraging warm words. You always made me feel welcome and know it was from your heart as your smile was so bright. You will be missed in the physical form but will have the great memories of you as well as the bar b que tongs from your dad. Rest well grandma Lee. Love ya
