“ *Ate Venus is very special to my family! My sisters thought of her as an elder sister, and I for a long time when I was little I thought of her as my favorite auntie - she was much older than us and spent a lot of time with my parents! Many of my fondest childhood memories are all the times Ate Venus came to visit us! We haven't had many chances to see her often enough over the recent years, and miss & love her very much!* - Al Manimtim

Venus was our classmate at St. Luke's College of Nursing, Trinity College of Quezon City. She was very kind, classy and sweet. I remember her for her infectious laughter, the way she waves her hand when talking, with a little twinkle in her eyes. Rest in peace dear classmate; you will not be forgotten.
