

Veota Rendon

September 1, 1966 - April 12, 2015

To my family and friends, I wish I had more time in life to meet with you all individually and to tell you how much you truly meant to me. While I'm gone please take care of yourselves. Remember that I love you. I hope I pass on my positive attitude to you as you will need that going forward in life. I can't tell you how much I will miss you. Believe me, I truly will. I am not sure why I was chosen to go through this rare disease but I knew I had to keep positive and keep strong. There is a reason for all of this. Please remember me from all of the cherished moments that we had in life. Those times meant the world to me. Thank you for all of the support and love throughout the years. I will love you forever - Veota

“ *I have worked with Veota in three different salons over the years. I met her when she was newly married. She was quiet and shy, believe it or not at the time. She had just married her love of her life, and she was sweet and innocent. She grew to be an out going beautiful driven person. No one in the salon could ever out sale her in product sales. I loved her and will miss her dearly. I admired her for her grace, vision, and positive way of seeing things. Love you Veota”*

“ *I had the pleasure of working beside Veota for the past 5 years, and in those years a very special bond was formed. I looked up to Veota and admired who she was and how she conducted herself. Veota was wise and very grounded. I could always count on her to put things into a positive perspective and I have grown as a person because of being her friend. I loved her and will miss her dearly.*

“ Veota was one of those very rare people in life that was a good friend, a wonderful mother and wife and a truly kind soul. She was as beautiful outside as she was in and I will truly miss all that she brought to my life. My heart breaks fro Jim, Kyana and Jordan. Her earthly vessel is gone but her positive energy and good spirit will remain always.

“ Away

*I cannot say and I will not say
That she is dead, she is just away.
With a cheery smile and a wave of hand
She has wandered into an unknown land;
And left us dreaming how very fair
Its needs must be, since she lingers there.*

*And you-oh you, who the wildest yearn
From the old-time step and the glad return-
Think of her faring on, as dear
In the love of there, as the love of here
Think of her still the same way, I say;
She is not dead, she is just away.*

“ *My condolences to the Rendon family. Veota was not only a friend to me, but a friend to my mom for 20+ years. My mom called Veota her "magician" as she could make my mom look years younger with a new hairstyle. Veota was a cherished friend of my family, she will be missed. Rest in peace, Veota. To Veota's family, my thoughts and prayers are with you during this difficult time.*
