“ Words are lost, tears are endless, emotions are clashing waves against the rocks. I struggle to accept that you are now gone. All I want is to walk into your room and see you there, for my cell to ring and hear your voice on the other end. I feel my already tattered heart and soul shattering even more. I miss you ama and I always will! My only peace is knowing you are no longer in pain and that you are up there playing with my Lilliana, Raymond, Ivory and Bella... till we meet again. I love you always.

“ *I love You Forever Mom. I will Proudly Walk in Your place and Carry On With your Legacy. I will Continue to Strive at Keeping Us Together and Taking Care Of Us All In The Many Ways You Did, in Your honor. I Hope to Have an Ounce of The Strength that You showed In The ways You fought To Stay with us. I will Never Forget How Hard You Tried, but the battle was won Because Where You Rest Eternally Is So Much Better Than Where Your Flesh Layed All Those Months Fighting Sickness. Im So Proud To Call You Mine. I Hope I continue To Make You Proud and I Promise I'll Keep Trying To Stop Crying Like You asked Me To When You Decided To Be Set Free.. Until We See Each Other Again.. Rest in peace My Dearest Momma 🕊️*

Im soooo sorry for your loss. My condolences to the family . Vicki was an awesome friend. I felt something was wrong when I talk to her last she couldnt really talk so I told get some rest and call me when ur better but she never called. She was heavy in my heart till this morning when I saw the post on Facebook. I love you my dear friend fly high w the angels. My mom to got diagnosed w stage 4 cancer . Im so close w my mom. I can't imagine what you going thur . I know one day God gonna take her but I dont know if I be ready so you inspire how strong you hold on to the love you have for her . Stay strong and always remember she always watching over you and your family
