“ I met Mr. Meagher when I was 17-18 yrs old. My brothers/friends that I grew up with always told me, you gotta meet Vinny Mac, he's hilarious. They couldn't have been more right. Always cracking jokes, talking smack to us and Dougie every time we walked in the door. I had spent many nites and dinners at the Meagher household. Always ALWAYS made me feel comfortable and were extremely giving. Few years later down the road, I ended up not having a place to live for a few months and the Meaghers opened their house to me. I was blown away by the kindness. Growing up the way I did, people didn't treat me like this, it was awesome in such a trying time for me. I will never forget the Meaghers feeding me and giving me a roof over my head, when I didn't have either. Thank you Mr. Meagher, you didn't have to do that but you did. I do not forget things like that and super proud to call the Meaghers my family. Mr. Meagher has instilled many of his values into his children. Doug & Tammy are some of the most giving, kind, responsible and loving people I know. Dougie is one of my closest friends to this day and he has so many traits his Pop. Mr. Meagher is a mans man and will be greatly missed. Thank you Mr. Meagher and may you rest in paradise!!
