“ It sounds silly to me when I say this now but when I was a goofy little curly afro'd Erika my sister and her friends were the coolest mothers I'd ever laid eyes on. Wayne was just so freaking cool LOL he was sarcastically funny and wore nice clothes and always looked so polished and put together and would make you make fun of yourself and be happy and laughing about it. He always was ready to go! We were always some where with him. He was always willing to try something new. He was very free spirited and charismatic, qualities that made you want to be around him. I am so glad he was part of my growing up and I just feel such a pain in my chest thinking that even though I rarely seen him, I was just so glad to and I won't anymore.....I had taken up the habit of looking for you at concerts, after seeing you randomly at 3.?? you Wayne. Cheers to the cool guy :) you will be missed brother.

“ Me and my family have many sweet memories of Jr and the family and being that we all grew up together on the same street for many years. We had a close knit friends/family relationship with all the neighborhood ... it was awesome... God really needed another angel that early morning ...He picked the best one that night ...everything you hear and read about him is true...He was sweet kind and so full of life... My fondest memory is all of us playing either yard (goodtimes)... he enjoyed my mom's homemade flour tortillas loved them so much... We are so so sad but Wayne Is having a ball in heaven...it's beautiful there and we will all be reunited again ... cherish all the memories we all have of him whether it was when he was younger or older... we will all get through it... To Mary Wayne Crystal Brandi Nicole... His children and nieces and nephews.. and Blanca ...I'm sorry for your loss and please know that all my love and prayers go out to you... May God give you the strength you need at this time... hugs to you all Connie Rodriguez
