“ *My fondest memories of my PaPa Gee, were Everytime we would come to visit and he would say come give PaPa a kiss on the cheek! I remember that to this day and I'm 25 now. One thing He always told Me was "You can do anything you put your mind to! I love you Papa and I am missing you everyday! Untill we meet again! ❤️*

“ *All of my memories of my Uncle Chief revolve around his strength, humor and compassion. My most vivid memory is of taking a walk with him just before moving to Connecticut and he told me if I ever needed him he would be there for me. It meant more to me than he could ever know. My parents' divorce, a move 3000 miles away and the ups and downs of life all contributed to losing touch, but I had the opportunity to speak to him on the phone a couple of years ago and told him how much he meant to me - and how a scared, lost teenager never forgot the kind words of her sweet, strong uncle and tried to become a person he would be proud of. God bless him always and all those who mourn his loss. My love and prayers are with you all, especially Derek and Danny. Your cousin - MaryAnn*
